

**Oneida County, Idaho**

**Courthouse Elevator Addition**

**Addendum (04) Dated: 02/15/2022**

Responses provided by Owner shall take precedence over previously issued, plans, drawings, technical specifications, addenda, contract documents, general provisions, special conditions, meetings, site visits or other written or oral communications.

	Question/Comment	Owner Response
1	The floor finishes are called out as polished colored concrete, carpet and VCT. We need some sort of basis of design to properly bid the carpet and VCT.	<p>Carpet Specification is attached. This is a Basis of Design guide specification for establishing a quality standard. The General Contractor may select from other manufacturers who have a similar or equivalent product.</p> <p>The Owner and Architect will select the color of the polished concrete from the manufacturer's standard colors.</p> <p>VCT Specification is attached. This is a Basis of Design guide specification for establishing a quality standard. The General Contractor may select from other manufacturers who have a similar or equivalent product.</p>
2	is there is any attic stock available if needed	No
3	We also need to know a concrete color as this will vary greatly depending on the darkness of color. It will	<p>Refer to attached concrete dye Data Sheet. This is a Basis of Design Guide Specification for establishing a quality standard. The General Contractor may select from other manufacturers who have a similar or equivalent product.</p>

	likely need to be an integral color with a polished finish.	
4	During our pre-bid meeting a few weeks ago, it was mentioned that an electronically delivered bid may be acceptable. It's looking like we may face some more inclement weather tomorrow so I want to confirm that an electronically submitted bid will be okay?	<p>RFP ITEM#6. Submission of Bids</p> <p>A. Bids shall be enclosed in an opaque sealed envelope marked as follows and delivered as required by the Request for Bids: From: (Name of Bidder) For: Oneida County Court House Addition and Elevator Installation Project</p> <p>B. It is the responsibility of the bidder to see that his bid is received at, or before, the time set for opening. Any bid received after this time, whether read or not, will be null and void.</p>
