Subject: RE: UWRL Lounge 123 remodel - Addendum #2

All, see this email and consider it to be **Addendum #2** for the **UWRL 123 Lounge Remodel**.

Q. - The question was raised regarding the color of the "Fry-Reglet Flashing" identified in an interior detail?

Response – The color for the Fry Reglet Flashing at the interior column wood trim detail will be "Black".

Please acknowledge receipt of this Addendum #2 via email as well as on your Bid Forms. Failure to do so would result in a disqualification for this project.

Thanks, Joe
